EDUCATION

Silpakorn University

Faculty of engineering and
industrial technology

- Department of electrical
engineering - Electronic and
computer systems engineering
- GPA : 2.39

HOBBIES

- Read investigative books
- Watch detective movies
- Play board games
- Listening to News(Blockchain)

ABOUT ME

I am a 3rd-year student in the Department of Electrical Engineering at Silpakorn University. My passion lies in analyzing electronic circuits and developing hardware based on microcontrollers. Additionally, I have a keen interest in coding and integrating it into my projects.

I am eager to gain experience in your organization to further my knowledge and skills in electronics, hardware, software, and coding. I am prepared to learn and contribute effectively to utilize this knowledge for future development within the organization.

TRAINING

2023

**Mobile Web Application development
with HTML, CSS, JavaScript, Bootstrap
and php.**

2023

Creating Functions and Classes in Python
